Synopsis

Electrical Systems Upgrade at Conchas Dam, CONCHAS DAM, SAN MIGUEL COUNTY, NEW MEXICO. This acquisition is a total Service-Disabled Veteran set-aside. Only bids from qualified Service-Disabled Veteran owned small business concerns, qualified by the Small Business Administration will be accepted. Bids received from concerns that are not certified by the SBA to participate in the Service-Disabled Veteran program shall be considered non-responsive and will be rejected. NAICS is 238210/SIC 1731, with a size standard of \$13,000,000.00. The magnitude of construction is between \$1,000,000.00 and \$5,000,000.00. Bonding will be required for this acquisition. The bidders attention is directed to Section 00100 in the Solicitation for information regarding the tour of the site. Plans will be issued on or about March 21, 2008, with bids due on or about April 22, 2008. This solicitation will not be issued on paper. WORK CONSISTS of changing,

replacing, and upgrading all electrical and communications system as per specifications and drawings, and in accordance with the latest edition of National Electrical Code (NEC) and all applicable standards, as may be required for complete operation systems. The work includes all power circuits and outlets, lighting circuits and fixtures, all wirings, panel boards, feeders and conduits, junction boxes switches, stand-by generator, automatic transfer switch, telephone system circuits, outlets, conduits, wirings, et cetera as indicated. All material removed from the electrical demolition areas resulting from this work shall be removed from the dam site by the contractor at no extra expense to the Government. All electrical work on the dam exterior or on the bridge shall be coordinated with traffic flow and in accordance with the contractor's strict safety plan. Work will be performed within small and confined areas. The work area will be damp. Work area may also consist of wading through pools of water which may be more than two (2) inches in depth. Temperature may be as low as 50 degrees Fahrenheit. This project will be advertised as an Invitation for Bid. Proposed procurement will result in a firm fixed price contract. Questions of a technical nature should be addressed to Seyfollah Etemadi (505) 342-3394 or email at: Seyfollah.Etemadi@usace.army.mil. **BIDDERS MUST BE REGISTERED** with Central Contractor Registration (CCR), in order to receive a Government Contract award. To register, the CCR Internet address is: <http://www.ccr.gov>. Additionally, a paper form for registration may be obtained from the DoD Electronic Commerce Information Center at 1-800-334-3414. This solicitation will be issued via Internet only. Notification of amendments shall be made via Internet only, as well. It is therefore the contractor's responsibility to check the following address daily for any posted changes to this solicitation. For security reasons, all technical and engineering data related to this solicitation will be distributed using the Federal Technical Data Solutions (FedTeDS) system. FedTeDS is a web-based dissemination tool designed to safeguard acquisition-related information for all Federal agencies. Interested bidders must register with FedTeDS before accessing the system. Registration instructions can be found on the FedTeDS website (<https://www.fedteds.gov>) by clicking on the "Register with FedTeDS" hyperlink. Contractors registered with the Federal Technical Data Solutions (FedTeDS) may view and/or download this solicitation and all amendments from the Internet after solicitation issuance at the following Internet address: <http://www.fedteds.gov/fedteds/start.nsf/frm.vendorlogin?openform&SolicitationNumber=W912PP-08-B-0015>. All bidders are encouraged to visit the Army's Single Face to Industry Website at <https://acquisition.army.mil/asfi> to view other business opportunities. You are advised that FedTeDS currently does not have a Plan Holders List capability. Therefore, Bidders are encouraged to post notices of prospective subcontracting opportunities on the FedBizOps website at www.fbo.gov. Bidders are advised that this requirement may be delayed, cancelled, or revised at any time during the solicitation, or final award process, and is subject to the availability of funds.
